XV) Marketing In telligence Issues: It has been decided that banks would report regarding incidence of ponzi schemes, illegal financial activities by individuals / firms, if any, to UTLBC for onward reporting to the authorities. Controlling offices may advise the branches accordingly. The following areas are reiterated:

Banking related cyber frauds, phishing and credit related fraud by borrower group as well as third party intermediaries. Instances of usurious activities by lending entities in the area, over-indebtedness, and unorganized financial activities of cyber frauds, phishing etc. should be highlighted during financial literacy drive conducted by the bank. With Covid-19 pandemic, digital banking has assumed great significance, proving to be an effective mode of financial transaction but also exposing unsuspected customers to the threat of hacking, phishing etc., thus causing loss to the customer as well as financial institution.
