During his talk Shri Tapan Kumar Mandal, Deputy Secretary, DFS, GOI made the following points:

- DFS has taken significant steps to ensure that every citizen has access to essential financial services. He highlighted salience of the flagship schemes:
- PMJDY has played a pivotal role in providing every individual with a bank account thereby ensuring that the benefits of Govt schemes are directly transferred to them. This has ensured that banking services reach the nook an corner of the country thereby giving tools to manage the finance effectively. He also elaborated in detail the nuances of various Govt schemes like PMJJBY, PMSBY, Mudra Scheme, Micro Credit etc.

- He reminded that though we have achieved substantial progress in extending banking services in the island still there are miles to traverse to ensure that the remotest places have access to financial services and to strengthen the regional economy.

Shri Sibabartha Pal, DGM, RBI highlighted the following

- First of all, he mentioned regarding the discussion that had in the last DCC meeting of South Andaman wherein the inadequacy of the quantum of housing loan qualifying as Priority sector lending was deliberated. At present loans below and up to Rs.35.00 lacs qualify as PSL. However, considering the higher input and construction costs prevailing at this island a need is felt to hike this upper limit to Rs.50.00 lacs and was represented to RBI in the last DCC meeting which was attended by the LDO of RBI. DGM, RBI informed that the same is under consideration and in process at RBI level and will be forwarded to the Central Office for taking a final call after examination. Once a decision is reached the sae will be communicated in due course.
- Regarding high NPA of few banks he informed that this was discussed in various forums. He urged the concerned banks to gear up the efforts in bringing down NPA to acceptable levels. Regarding unbanked rural centres he asked to verify the same in CSD portal. As SBI has stated that the prevailing unbanked areas are mainly due to the forest encroachment and low population thereof. He advised to take up the matter with DFS for updating.
- Further he mentioned about the low CD ratio, falling below 40% prevailing at N&M District & at Nicobar District since the last 8 years. Based on the request to reduce the benchmark below 40% for these two districts. He informed that this is also under consideration and will be reviewed at the appropriate level. He called upon bankers at South district to extend maximum credit so as to have increase in CD ratio.
- RBI has issued a circular on December 4, 2024 regarding KYC & re KYC. Around 10 years back a huge lot of accounts were opened under PMJDY Scheme. Now 10 years have since elapsed and majority of these accounts became inoperative and need re KYC. Banks should revamp and take necessary steps to make these accounts KYC complaint again as there will be future credits under DBT and any possible hardships in withdrawing these sums need to be obviated. He asked bankers to submit the data in this regard regularly on fortnightly basis.
- He asked to sensitise the ground level banking functionaries. regarding NPA classification of Govt guaranteed loans. regarding extension of credit to start-up ventures, bankers need not go by the credit history of these borrowers who have no credit history and may be guided by commercial judgement and their own individual policy directions in this regard.
- He further elaborated about the two FI index criteria viz access criteria and usage criteria. All efforts should be made to improve the access index and for this all inactive BCs should be made active. Financial literacy camps should concentrate on improving awareness regarding cyber frauds.

Shri Rahul Dhamani, DGM, NABARD highlighted the following:

He mentioned about the Food Technology meeting recently held at Port Blair where a number of women actively participated.
- He highlighted the importance of private investments a and also the role of MSME in supplanting Governmental initiatives in employment generation. As due to topographical and other inherent constraints, there is no room for any industry locally and as such the micro, small and medium industries assume great significance as far as the island is concerned. He called upon the bankers to maximise collateral free loans such as under Mudra and Start Up India schemes as the islanders also face constraints in providing land as collateral security due to extant laws. He thanked the administration and bankers for all the help extended by them to the development of the island.
- In response to the President, Chamber of Commerce GM, SBI has detailed the credit portfolio figures of SBI. Out of a total portfolio of approximately 591.00 Cr almost 42%, ie around 251.00 Cr is collateral free loans. - In terms of RBI and IBA directives, South Andaman District has been identified as Digital District. The objective is to have significant footprint which will endeavor to make the district 100% digitally enabled within one year, in order to enable every individual in the district to make/ receive payments digitally in a safe, secure, quick, affordable and convenient manner. As on June 2021, South Andaman District has covered 100% of SB Account and Current Accounts with Digital Product.

  - The task of identification of one more district for 100% digital coverage now lies between N&M Andaman and Nicobar District, both of which are remotely located and having major issues with internet connectivity.
  - Hence, as per the resolution and action taken report of UTLBC meeting held on 28th July 2021 for March 2021 quarter, a request was put to RBI for excluding these districts from current digital district campaign, which has been accepted by RBI, since there is no improvement in connectivity, thereby excluding the UT of Andaman & Nicobar Islands from the scaled up version of the programme on expanding and deepening of Digital Payments Ecosystem.

xv) Marketing Intelligence Issues:

It has been decided that banks would report regarding incidence of ponzi schemes, illegal financial activities by individuals / firms, if any, to UTLBC for onward reporting to the authorities. Controlling offices may advise the branch accordingly. The following areas are reiterated:

Banking related cyber frauds, phishing and credit related fraud by borrower group as well as third party intermediaries. Instances of usurious activities by lending entities in the area, over-indebtedness, and unorganized financial activities of cyber frauds, phishing etc. should be highlighted during financial literacy drive conducted by the bank. With Covid-19 pandemic, digital banking has assumed great significance, proving to be an effective mode of financial transaction but also exposing unsuspected customers to the threat of hacking, phishing etc., thus causing loss to the customer as well as financial institution.

With a view to unlock the economic potential of the residential assets in rural Abadi areas by leveraging them as collateral, Ministry of Panchayati Raj has suggested that banks should closely interact with the States/UTs in the meetings of SLBC/UTLBC to workout modalities in this.
In A&N Islands 7400 SVAMITVA Cards issued by the Department. All banks are advised to accept SVAMITVA Card as land document for sanctioning of Housing Loans and Loan against property.

xix) PROVISION AND APPLICABILITY OF SHOP & ESTABLISHMENT (S&E) ACT ON BANKS:

The provisons of and applicability of Shop & Establishment (S&E) Act on banks vary from State to State. It was observed that in some states, like Govt of Tamil Nadu, Public Sector Banks have been exempted while the Act is made applicable to other categories of banks. There are many States where all banks (including private and foreign banks) are exempted from the purview of the Shop and Establishment Act while on the other hand some States/UTs, banks in general are not exempted from the purview of the Act.

The matter was deliberated in the meeting of IBA Sectoral Committee of Privtae sector Banks' and the Managing Committee (MC) and subsequently it was taken up with Department of Financial Services (DFS), Goi seeking exemption of the applicability of the provisions of the Act to all categories of Banks across all States/UTs so that the same will improve ease of doing business.

DFS has terms of their letter dated 02.05.2022 advised the Chief Secretary of all the State Government to examine the matter and suitably amend the provisions of the Act so as to exempt Banks from the applicability of the S&E Act in their State considering that the banks are regulated by RBI and that many of the State Governemnt have already exempted banks.
In A&N Islands, UTLBC had already taken up the matter with concern department for clarification.
