RBI had launched National Strategy for Financial Inclusion (NSFI): 2019-2024 on 10th January 2020. The NSFI document sets forth the vision and key objectives of the Financial Inclusion policies in India to help expand and sustain the financial inclusion process at the National level through a broad convergence of action involving all the stakeholders in the financial sector. The Strategy aims to provide access to formal financial services in an affordable manner, broadening & deepening financial inclusion and promoting financial literacy & consumer protection. Providing banking access to every village within a 5 Km radius/hamlet of 500 households.

As on 31.03.2026 as per the list provided by DFS, 47 villages are unbanked. Out of these 47 villages, 28 villages are in Forest Encroachment Area and remaining 19 are having low population and no connectivity and it is not viable to operate BC in these villages. As per the resolution of UTLBC meeting for March 2020, it has been resolved to exclude the villages in forest encroachment area and villages having population below 300 to exclude from the list

During this quarter India Post Payment Bank (IPPB) has appointed, 66 BCs across the island, by which 24 uncovered villages has been brought under basic banking facility.

10. Marketing Intelligence Issues: It has been decided that banks would report regarding incidence of ponzi schemes, illegal financial activities by individuals / firms, if any, to UTLBC for onward reporting to the authorities. Controlling offices may advise the branch accordingly. The following areas are reiterated:

Banking related cyber frauds, phishing and credit related fraud by borrower group as well as third party intermediaries. Instances of usurious activities by lending entities in the area, over-indebtedness, and unorganized financial activities of cyber frauds, phishing etc. should be highlighted during financial literacy drive conducted by the bank. With Covid-19 pandemic, digital banking has assumed great significance, proving to be an effective mode of financial transaction but also exposing unsuspected customers to the threat of hacking, phishing etc., thus causing loss to the customer as well as financial institution.

The provisions of and applicability of Shop & Establishment (S&E) Act on banks vary from State to State. It was observed that in some states, like Govt of Tamil Nadu, Public Sector Banks have been exempted while the Act is made applicable to other categories of banks. There are many States where all banks (including private and foreign banks) are exempted from the purview of the Shop and Establishment Act while on the other hand some States/UTs, banks in general are not exempted from the purview of the Act.

The matter was deliberated in the meeting of IBA Sectoral Committee of Private sector Banks' and the Managing Committee (MC) and subsequently it was taken up with Department of Financial Services (DFS), GoI seeking exemption of the applicability of the provisions of the Act to all categories of Banks across all States/UTs so that the same will improve ease of doing business.

DFS has terms of their letter dated 02.05.2022 advised the Chief Secretary of all the State Government to examine the matter and suitably amend the provisions of the Act so as to exempt Banks from the applicability of the S&E Act in their State considering that the banks are regulated by RBI and that many of the State Government have already exempted banks.
